ACHIEVEMENTS

Finished the Glorious Military Service.

(10/2019 - 12/2020)

I had a lot of experience and also had a great time, made some awesome friends and most important became a grown up man.

Solved a lot of problems (09/2020 - 10/2020)

I was learning angular4 and the course that I've been following was working on a project using angular4 and I was working with latest version, so I've faced a lot of problems with compatibility and other things, and I've proudly finished it.
