WORK EXPERIENCE

Personal Project

My Protfolio

12/2020 - 01/2021

Cairo Egypt

Developed personal [portfolio](#) website as a single-page application, fully responsive with amazing animations and swipe navigation.

Achievements

- Used **only!** HTML, CSS and **vanilla** JS, **No!** plugins.
- Created a function **from scratch** that allows users to **swipe** to **navigate** between pages as a **mobile app**.
- Also **PC** user can **navigate** using **keyboard arrows**.

Used skills: HTML, CSS, JavaScript

Personal Project

E-Commerce

02/2021 - 03/2021

Cairo, Egypt

Developed a single-page [e-commerce](#) app with routing, authentication, authorization, and real-time database using angular 9, bootstrap, and firebase.

Achievements/Tasks

- The most **challenging** part was calling the **database**, **sending** and **receiving** data, but I'm up for any challenge.
- Created an **admin-only** section to **manage** products and orders as well.

Used skills: Angular9, Bootstrap, Firebase

ACHIEVEMENTS

Finished my Military service. (10/2019 - 12/2020)

I had a lot of experience and fun as well, I made new friends and began to see things more maturely.

Solved a lot of problems (09/2020 - 10/2020)

For example, I was learning Angular4 in an online course and I was using Angular9, and I faced many difficulties and problems due to the difference in the version, and eventually managed to overcome those problems and finish the project using Angular9.
